INFORMATION DISCLOSURE STATEMENT

Respectfully submitted herewith is a copy of a European Patent Office Search Report (3 pages) from a corresponding European patent application together with copies of its 6 cited references.

In the European Patent Office Search Report the references listed with an A mean that these references define the general state of the art which is not considered to be of particular relevance with respect to the listed claims in the European application. The references listed in category X mean that each of these references considered alone is of particular significance with respect to the listed claims. In the European Patent Office Search Report the words "Einschlägige Dokumente" means relevant document, "Kategorie" means category, "Kennzeichnung des Dokuments mit Angabe, soweit erforderlich, der massgeblichen Teile" means designation of the documents with statements as far

as necessary of the relevant parts, "Betrifft Anspruch" means concerning claim, "Seite" means page, "Zeile" means line, "Spalte" means column, "Abbildung(en)" means Fig(s). or illustration(s). Since this translation now points out in English the relevant portions of the citations listed in the European Patent Office Search Report, and since the four US patents and the abstract on the cover page of the WO PCT publication are in the English language, no further concise explanation is required.

A PTO-1449 form is presented listing the 6 submitted references.

Translations of the foreign language references are not available to the undersigned.

A certification under 37 CFR 1.97(e) is presented herewith

This submission meets the requirements of 37 CFR §1.56, 1.97 and 1.98(a) and MPEP 609.

Respectfully submitted
